# WOMEN AND SPIRITS OF THE WORLD INTERNATIONAL COMPETITION™

## COMPETITION RULES

Women and Spirits of The World International Competition™ / Femmes et Spiritueux du Monde Concours International™ is organised in MONACO by the Association Inter Concours du Monde - 29 RUE DES TEMPLIERS 83170 BRIGNOLES (France).

### Article 1 : OBJECTIVE OF THE COMPETITION

This competition is open to spirit drinks from all countries with a specified geographical denomination.

The spirit drinks will be judged exclusively by women.

The competition is intended to highlight the intrinsic qualities of spirit drinks from specific geographical areas and to distinguish those spirit drinks of outstanding quality and that are exceptionally expressive of their appellation or origin.

This international competition highlights also the role of women and their professions at an international level in the world of spirit drinks through the panel of tasters.

The prizes awarded in this international competition will :

- Provide all competitors with a representative evaluation of their products.
- Encourage the launch and sales of quality spirit drinks both in terms of the product and its presentation.
- Promote the quality, diversity and excellence of the prize winning spirit drinks from different appellations or origins.
- Encourage the expansion of spirit drinks culture at an international level.
- Reinforce the identity and consumer perception of spirit drinks internationally.
- By providing international references, communicate a message to 80% of consumers who are highly receptive to information on spirit drinks.

Women and Spirits of The World International Competition™ / Femmes et Spiritueux du Monde Concours International™ / is organized by **Association Inter Concours du Monde** in accordance with the rules outlined below.

### Article 2 : COMPETITORS

- Individual wine producers or distilleries/cooperator
- Groups of wine producers or distilleries
- Cooperative wineries or distilleries
- Distillers
- Groups of cooperative wineries or Group of distillers
- Industrial
- Wine or distillery brokers
- Wine producer or distillery and brokers
- Importers
- Distributors

### Article 3 : ENTRY REQUIREMENTS FOR THE WINES

The entry requirements to **Association Inter Concours du Monde WSWIC™** are as follows: **The spirit drinks must be bottled and ready for sale.**

Their labels should conform to :

- The European Union regulation applied to EU member states.
  - To the regulation in force in the country where the spirit drink is produced and to the provisions regarding the importation of spirits drink applicable to non EU member states.
- Spirit drink entered for the competition should be available in quantities of at least 1080 liters.

However, where the production volume of a given wine is particularly low, the batch may consist of less than 1080 liters but should nonetheless be greater than 108 liters.

### Article 4 : SAMPLE PRESENTATION

To qualify for the competition, the samples of spirit drinks presented should come from an homogeneous lot. The homogeneous batch is a set of sales units of a bottled or spirit drink-conditioned spirit which has been prepared and packaged under virtually identical conditions and which has similar organoleptic and analytical characteristics. Samples should be presented as follows:

**Four bottles of 0.5 l to 1.5 l per sample**

**The bottles and labels should be as per their usual commercial presentation.**

### Article 5 : PROCEDURE FOR SENDING SAMPLES

Each sample should arrive before the specified deadline at the destination indicated on the registration form. **Association Inter Concours du Monde WSWIC™ FSMCI™** reserves the right to refuse samples arriving after the closing date for the receipt of samples indicated on the application form. The costs of shipping the samples are the responsibility of the sender. Samples are sent at the sender's risk. All samples sent freight collect will be refused. Samples refused entry into the competition will not be returned.

### Article 6 : RULES OF ENTRY INTO THE COMPETITION

Obligatory documents for entry:

- Registration form
- Registration fee

**Association Inter Concours du Monde WSWIC™ FSMCI™** reserves the right to refuse applications arriving after the closing date for registration. Any applications not accompanied by the registration fees and the certificate of analysis will be refused.

#### A. REGISTRATION FORM

A registration form should be completed each sample and sent before the closing date indicated on the form. The registration form should be accompanied by the registration fee and the certificate of analysis.

### Association Inter Concours du Monde WSWIC™ FSMCI™

reserves the right to refuse applications arriving after the closing date for registration. Any applications not accompanied by the registration fees and the certificate of analysis will be refused.

The competitor and the competition organiser each retain a sample of the prize winning spirit drinks. These samples will, if required, be made available to control agencies for a period of one year.

### Article 7 : COMPETITION RULES

The samples will be presented in an anonymous fashion to the judging panels.

On arrival, the sample is identified by a label affixed to the bottle indicating the name of the competition, the year, the registration number (Producer - No. arrival of sample).

The anonymization is done by the bagging of the sample to be presented to the tasters. The sample is presented in a black and bouffant containing the sample, is indicated on a label, the anonymity number (jury, series and order)

The samples will be grouped according to their category (origin, class, type, % vol.) And will be tasted in series and / or mini-series in the series. In a category, if the number of competitors is less than three at the time of registration, the category may be either deleted or grouped at the organizer's discretion. The affected samples may also be re-registered in a generic category.

The technical director transmits to the general commissioner the elements of anonymity. The general commissioner makes all the arrangements so that the samples subjected to the tasting are rendered strictly anonymous. He may make any transfer, change of packaging, masking or any other operation necessary to preserve the strict anonymity of the samples.

**Each spirit drinks tasted is scored individually and not comparatively.**

The marking scheme is a point by point system as used in the official OIV tasting sheet. The technical commission of **Association Inter Concours du Monde WSWIC™ FSMCI™** designates the number of members of each judging panel. Each judging panel comprises five female judges, two of whom are French, recognised for their abilities based on each of the following categories :

Panel 1: Presidents of the judging panels

Panel 2 : Production

Panel 3 : Diffusion - Commercialization

Panel 4 : Education Communication Public relations

Panel 5 : Discover consumer .

The total number of international female judges is determined by the number of samples presented.

A judge may not judge her own spirit drinks.

**Association Inter Concours du Monde WSWIC™ FSMCI™** appoints a president and secretary for each judging panel.

**Association Inter Concours du Monde WSWIC™ FSMCI™** will ensure the proper functioning of Femmes et Spiritueux du Monde Concours International™ / Women and Spirits of The World International Competition™ by organising

the preparation of the samples and organisation of the tasting sessions.

**Association Inter Concours du Monde WSWIC™ FSMCI™** will organise the monitoring, exploitation and publication of results using an appropriate evaluation form.

### Article 8 : AWARDS

The number of awards attributed during the Women and Spirits of The World International Competition™ Femmes et Spiritueux du Monde Concours International / is the number of spirit drink obtain more than 75 point /100 points.
